

ENHANCEMENTS™
by **RLR**
INDUSTRIES INC

Simple flat panel upgrades that can easily transform new or existing fixtures from commodity to architectural, designer-grade luminaires.

OEM FIXTURE KITS

Flat Panel Enhancements from RLR Industries allow you to create designer-grade architectural fixtures from your standard flat panel offerings. Streamline inventory and assembly by using the same flat panels for commodity and designer luminaires.

There is no easier, more cost-effective way to expand your product line, add value, and differentiate your designer-grade offering.

Flat panels are a convenient, stress-free packaged light source. Use your panels or choose from the flat panel engines below:

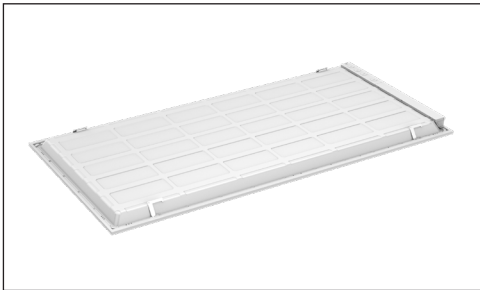

1x4 Flat Panel Selectable

18w, 24w, 28w – 125lm/w
35K, 40K, 50K
DLC Premium 5.1

2x2 Flat Panel Selectable

18W, 24W, 30W – 125Lm/w
35K, 40K, 50K
DLC Premium 5.1

2x4 Flat Panel Selectable

30w, 40w, 45w – 125lm/w
35K, 40K, 50K
DLC Premium 5.1
